KNOX COUNTY VETERANS SERVICES

Serving Those Who Have Served Us

For over 35 years we have been dedicated to helping Knox County veterans get the services, benefits and quality of life they deserve. With over 4,000 veterans living in our county, they rely on us to not only understand their needs, but to help them obtain and sustain a better quality of life.

We are not affiliated with the Veterans Administration, we are an advocate for the veteran.

We are with YOU

We are here to not only serve our local veterans, but to also serve the spouses and dependents of those veterans.

We are dedicated to helping veterans, active duty members of the Armed Forces of the United States, and their dependents.
